

## Become a Sponsor!

WordCamps are held around the world, and in 2017, Cincinnati will hold its second WordCamp. You can be a part of this exciting 2 day event by becoming a sponsor! The University of Cincinnati has generously agreed to be our venue sponsor for the 2nd year. Thank you UC!

Our WordCamp will offer a wide variety of workshops, presented by speakers who are leading WordPress developers, marketers, writers, bloggers, social media specialists and business professionals from the greater Cincinnati area and around the country. Help us to connect the WordPress community and get visibility for your company at the same time.
